Ocean Beach Police Corruption

Seems our new 'Chief' at Ocean Beach PD is purging some men from his force. Isn't that right Chief ? Did you really think you could beat that guy senseless and the DA would not get involved? You and your guys are in for a rude awakening. Firing men just for kicks is not a good thing Chief, especially when you have skeletons. Does your wife know about your many, many one night stands conducted in the Ocean Beach Village barracks? Does she know about your Friend Finder account? More important, does Ocean Beach Village know that you identify yourself as an Ocean Beach PO on a sex/swinger website? They do now !!!!!!!! They also know about the porno on your office computers. Why don't you tell everyone about how you took an officer to NYC for his bachelor party and went to the Hollywood Hotel and got an escort service (hookers) to entertain everyone and used the Ocean Beach PD PBA fund to pay for it all !!!!!

People who live in glass houses should not throw stones Chief. You have been warned.....

Gee guys, seems it's pretty obvious who is writing this about the Chief... didn't anyone ever tell you about burning bridges? You guys look like nothing more than immature, resentful babies because your services were no longer wanted. You act like vengeful immature brats, no wonder OB doesn't want you on the force!! Anyone can tell tall tales, just because some guys feel burned and want to get back at someone, it doesn't mean anyone is going to take what you say seriously!!! Get over it, losers!! Move on. The only one who looks bad now is you!! Sore losers. Grow up.

People who have local gov't jobs or civil service jobs should be careful who they slander on these message boards. Anything and everything can be tracked. So before you throw stones at a glass house, you better be damn sure that you don't have any of your own skeletons. When I read your message post it sounds like you are a disgruntled sore loser.

 **IF THIS IS TRUE**

.....is how I prefaced my remarks. Fair enough? As far as being anonymous.....I think the person who wrote this opening post is known to those who have taken the Chief's side.

It is a small police department and the person can only hide behind a keyboard for so long.

What is the big deal.

You must have been a brilliant Ocean Beach Police Officer...THAT GOT CANNED! Case Law...you have no idea....so let me inform you! How about Berkley vs Fulton County, Chasman vs Minor County, Brinks vs State of Georgia...do you want me to continue? These are all cases of slander brought on by public employees against employers or co-workers. So maybe ...just maybe, you should keep talking. IP address will tell exactly

Hesse000014

when and where...the rest is just simple detective work...which apparently you know everything about. So as far as a warning... this is yours. Do your homework before you start yapping. People are listenting and apparently they are not on your side. In case you haven't noticed the Ocean Beach Police Dept. is in New York...the land where anyone can sue anyone for any reason.

 RIDICULOUS

I heard that it was some "Town Employees" that got fired? Which causes me to wonder what the town officials would think if they found out that these people were fired from a police dept? Hmmمم.

Say Chief, can you look up IP addresses on your office computer, or does it only go to the Adultfriendfinder website? Keep flapping your gums dude, you made a HUGE mistake. I love how power drunk people who are in their last throws of power made outrageous statements!!! Who is going to track down IP addresses for you dude? Your Detective Division or your Brutality Division??? And you are right, people ARE listening, just the kind of people you guys DO NOT want poking around your little Village....

So Chief, track me down. Start with trying to get the IP address that posted this message. Once you have it, run it and find out who the IP address is registered to (what company), then get a subpoena and file it with the company who owns that IP address, attempting to force them to tell you the individual who that IP address is assigned to. Good luck, and Chief do us all a favor and wear some protection while you are shagging those drunk women!!!

Frank Fiorello, Kevin Lamm and Joe Noffi... The 3 of you were fired because of your blatant abuse of authority and your consitant abuse of the public. 150 summons's is not how you get compliance from the public. Nor is beating them and humiliating them by throwing cuffs on every person you come in contact with and drag them down to the station. Courtesy, and discretion is how you get the job done. You 3 rats went crying to civil service about your termination. You tried to tell them that most of the department was not civil service qualified. That may have been true a few years ago. But the Deputy chief had worked hard to correct shortcommings of the previous administration. How dare you throw stones from your glass house. By you guys being terminated, you just made this job safer for the rest of the department. Good luck trying to find another law enforcement job in this country

Chief, Chief, Chief....what did you tell me about IP address tracing? Can't you keep your anger under control? Firing three men makes the Department safer? How so? Are you afraid they will rat you out for the Halloween incident and how you rehired the "twins", or is it the beating given out to that NYC business man? Either way, you are toast Chief. Say, your outbursts or anger, you didn't get the clap from one of those nasty drunken whores you bang in your office, did you? It would be a shame if your wife found out.....

this is the Tom refered to in this post. firstly, just to set the record straight, Ed from the town was not working the night of the halloween incident. check out the payroll records for that week you will see that i am correct. secondly, Tom, that is to say me, was not "canned" or fired for not doing my job by the Dep. Chief at all. i assume the "they" you refer to is kevin frank & tom, as we were working the 12-08 shift in the village p.d. the night of the halloween party in houser's bar back in 2004. we didn't get "charged" with official misconduct/falsely reporting an incident, because there wasn't any official misconduct or falsely reporting an incident you idiot. where do you get your info bro? or do you just make it up to deflect attention away from yourself. also, let me just say this, whomever started this post just publicly aired the p.d. dirty laundry. now, everyone knows genius. the more you keep bringing up your past misdeeds and scandalous behavior publicly, the more "prying eyes" know. act like the "professional" you are paid to be. and lastly, dont slander me and call me names on this blog anonymously. say it to my face. you obviously know who i am, and where i work. you just gave away who you really are by stating this info bro. info only the personnel of the p.d. knows

Down by the Ole' fishin hole

Say Chief, you might want to notify EnCon PD...Seems I was fishing the other day and caught something other than a fish....no, not a tire or an old boot....can you guess what I caught Chief??? Yes, that's right, I caught a bunch of old tapes from the camera system...I wonder what they were doing at the bottom of the sea....Maybe the "twins" know.....

Hey VillageIdiot, you got one part right, you are an IDIOT... Why would you want to bring the EnCon Police in to this? Do you need more cops to rat on? Haven't you done enough of that already... Oh thats right, once a rat always a rat...So, you want to bring up the halloween incident...hmmm, lets talk about it...the only cover up there was how bad a job you did investigating it. Did you ever wonder why no one would talk to you guys during your shitty investigation. Everyone hates you. Everyone knew then you were a rat. Did you know that when the case was ran through the DAs office they wanted to investigate you and your rat partners? Did you know that it was the sergeant who protected you from being investigated? How about the time you and your asshole partner beat up those 3 girls and 1 of them got away in handcuffs...that was real funny you moron...what a lawsuit that was going to be, but wait, it was the sergeant once again

Hesse000021

who protected your asses, amazing, truly amazing. This sergeant i talk of is currently the acting chief. Do you know why he's the acting chief? Its because he knows how to protect his men, the department and the village and cares enough to do so. The previous administration (Chief) doesn't care about you, the police department or the village. so suck up the fact that your were let go and get on with yourself... see you around, oh wait, no i wont

So Chief, after those 3 girls got away, did you bring them into your office and bang them?? So your two city butt buddies didnt beat that guy senseless?? Didnt the previous Chief fire them, only to have you bring your own cronie in to investigate, then they get hired back?? How about the cops that associate with known drug dealers?? How about the cover up of the beating of the NYC Business man?? You can't hide everything Chief.

Grasping at straws

Just so you know IDIOT, this is not the chief. He would not stoop this low to entertain anything you had to say so lets get that straight. I'll do it for him and since you are a chicken shit and refuse to identify yourself, i will do the same for the time being. We all know how hard it is for you to come out of the closet. Whoops, did i let that slip out. Thats why you BEAT those girls isn't it. you were jealous of them, they were prettier then you, awwwww.. Now lets talk about the so called "TWINS" again. They we fired because of the previous chiefs incompetence to investigate anything, and for what its worth he believed the incompitence of you 3 morons. I mean really, did you read the paperwork you put together, i know i did. what a joke. and as far as cronies go, if you want to call the DA a cronie of the chief, i'm sure he'll take that as a compliment. They cleared the case stupid. So you want to talk about known drug dealers. What would you know about that? when was the last time or if ever you made an arrest for drugs? do you even know what cocaine looks like? i doubt you would. Any one that writes as many summonses as you and comes into contact with as many people as you and never made an arrest. but watch out, someone is eating peanuts on the beach, i better get her. oh my!!, look a red gatorade, i better kick his ass. LOSER!!! did you you write your mother a ticket yet? WAIT!! someones pissing, theres the felon. OH 10-1, 10-1 i maced myself again... HA HA HA HA HA HA....HE's RESISTING!!!! and lets get another thing straight, the only walls that are closing in are the ones around your short feeble law enforcement career....

What a great post Still employed. Thats so funny i remember that night. Hes resisting Hes resisting!!!! I cant wait to find out who you are so i can shake your hand. The "twins" are awesome. Everyone loves them. The rat pack is just jealous because the twins actually have a personality and are actually able to make friends and as far as the acting chief goes, there are no word to describe. Hes the cops cop. He knows how to take care of his men even the jerkoffs.

 **Da Chief**

Yeah, he knows how to take care of his men alright :evil: Just ask the guys at the bachelor party where he spent PBA funds on hookers!!! Whoops, should not leave a paper trail "Chief". I hear he knows how to take care of the ladies too.....The walls are closing in Chief, your time at the Beach is drawing to a close, just a matter of time before the Village finds out about you and your misdeeds. Now..telling everyone at MacArthur Airport that their newest officer is a rat...that IS slander !!! The Twins are two skells that the Chief protects even when they are hanging out with known drug dealers and criminals. Isn't that what happened the Halloween night Chief? Why did one of those jerks run away and hide? You might be good to them and help them cover stuff up, but it is going to catch up to you. And your hook in Civil Service (are you banging her too?) can't bail you out either Chief. How many times did you FAIL the Sgt's test?? People higher than her now know about how your Correction Officer buddies NEVER took a polygraph test...Seems you told Civil Service that they were POLICE OFFICERS with the SCSD..WRONG!!! They are Peace Officers, so they HAVE TO take the polygraph....And speaking of Police Officers.....did you hear the one about the OBPD cop that was never actually a police officer??? Seems the Village had this guy working there for years without ever actually going through a Police Academy..Did you overlook this because he also gives you a job Chief??? Time to shut down OBPD for good.....

Say Chief, how are you making out tracing down my IP address ???

Frank and Kevin, listen you two loser rats. Just cut the crap. You were let go because of your gross incompetence and unprofessionalism. All you have to hang your hat on is this web blog. You don't even have a credible reputation to hang your hat on. I don't know how you look at yourselves in the mirror and not want to cut your own neck when you shave. My guess is you are to much of a coward. Just like your very brief police careers. If you have a valid complaint I suggest you take it somewhere so it can be addressed. But here on a blog page just shows that you are full of crap. My God am I glad you guys are gone. I am tired of working hard to regain the trust of the public after you guys ruined that!!!

 RESIDENT

I am a long time Ocean Beach resident, just so you know I live on Ocean Breeze near Ocean Walk (maybe youknow me). Not only can I not believe what I am reading, I don't have to. To the new Chief, CONGRATS, you fired the right guys. The simple fact that anyone who was, is, or thinks they are a police officer would not air this B.S.. To the guys who keep this blog going....keep it going. No one believes you. Stop making idle threats if you have legit info act on it...if you have something to act on which I am sure you don't. Don't you think that any D.A. is going to ask you...why didn't you say something about this corruption. Since you seem to know so much about it. Come on, even if it were all true, you have incriminated yourself so badly you would end up in jail right next to them. My advice...END THIS! Get over it. You got fired and honestly I have spoken to other residents they don't care. GIVE UP!!!! Let me be the first to say I won't be anonymous Greg Hunstal. O.B. Resident. Have any question email me.

Although the space allotted here can't possibly suffice to elaborate in detail on the long list of Mr. Greg Hunstal's coprophagous revenge fantasies -- including the larcenous, the laughable, the self-centered, and especially the brutal -- I'll use what little space I have to argue about Mr. Hunstal's squibs. Permit me this forum to rant. I would be grateful if Mr. Hunstal would take a little time from his rigorous schedule to make efforts directed towards broad, long-term social change. Of course, pigs will grow wings and fly before that ever happens.

I frequently wish to tell Mr. Hunstal that he is calling for blind, impulsive action for the sake of action, for the sake of making himself feel good. But being a generally genteel person, however, I always bite my tongue. To restate the obvious: He must have some sort of problem with reading comprehension. That's the only explanation I can come up with as to why he accuses me of admitting that diseases can be defeated not through standard medical research but through the creation of a new language, one that does not stigmatize certain groups and behaviors. What I actually said is that to say that black is white and night is day is mendacious nonsense and untrue to boot. Mr. Hunstal has remarked that he never engages in intrusive, stinking, or grotesque politics. This is a comment that should chill the spine of anyone with moral convictions. To make sure you understand, I'll spell it out for you. For starters, Mr. Hunstal's accusations are geared toward the continuation of social stratification under the rubric of "tradition". Funny, that was the same term that his drones once used to make a mockery of the term "thyroparathyroidectomy".

Mr. Hunstal is dead set on defending his position against what I have to say, regardless of what I have to say. Let me try to explain what I mean by that in a single sentence: Mr. Hunstal recently stated that his way of life is correct and everyone else's isn't. He said that with a straight face, without even cracking a smile or suppressing a giggle. He said it as if he meant it. That's scary, because we must punish him for his naive lamentations. That's our situation today, in very rough outline. Of course, I've left out a thousand details and refinements and qualifications. I've not mentioned that Mr. Greg Hunstal unquestionably needs a healthy dose of conflict-resolution and peer-mediation training. And I've ignored phallocentrism altogether. I've simply pointed out one key fact: He is utterly -- and I mean utterly -- stultiloquent.

So, how has the Chief helped you out there Greg? Wait a sec....did he find you on AdultFriend Finder also? Does the Chief go both ways? I guess his wife will have to find that out...

Say Chief, do you still have a good supply of wine at HQ? I was worrying that you might have used it all on the female domestic violence victim. Now that is professional!! Encouraging a female domestic victim to drink wine, in the police station!!! Did she drunk enough to actually bang you Chief?

Do any more SLA checks George? Why is is that only certain bars get checked while others have no worries at all? Any chance it has to do with the fact that they let you eat and DRINK booze while on duty, for free??

And Greg, how would an idiot like you even know about this Board? I guess the 'Chief' is getting so nervouse he is enlisting the help of jagoff residents like you to help him. My advice to you is to keep an eye on the Chief and make sure he isn't banging YOUR wife!!!

And just to clafiy a previous morons post....Yes, Suffolk Correction Officers (most of whom are only one level up from the skells they babysit) already passed the psych,medical, and agility tests. But CO's NEVER took the lie detector test, which OBPD cops MUST take if they were appointed in the recent years..Don't worry, that will be taken care of too...Chief, I know you are hooked up with the broad from Suffolk Civil Service...I hope you know someone in NYS Civil Service too....

Ah, morons and more morons... you think you know so much, yet you know so F'ing little...

The Suffolk County CO's are given a WAIVER from taking the lie detector test, because they are already SC CO's, and obviously they are trusted enough to be such, and therefore do not have to take that exam! Stop being such a know-nothing and call civil service yourself if you don't believe it. Then you will see just how dumb you really are, moron!

Fact is the chief isn't banging anyone, he's sporting a colostomy bag, lost his unit 12 years ago.

I understand it must hurt but posting it here isnt helping you, go get some pro counselling and get on with your misery..i mean life.

I like how you tried to get us in trouble with Civil Service. Its a shame you'll never work as a cop again. Not only did you screw the public, now you're trying to screw the people you worked with that have nothing to do with you being let go. You're an ass...

So 'Chief'....is this the day your wife finds out about all of your whores? How will she find out...will it be an anonymous letter? A phone call? A visit by an 'old friend'? What will you do when she confronts you with your AdultFriendFinder profile? Yes Chief, I saved it and printed it out for her!!! I figured it would be a nice gift for the both of you, seeing as how you are so generous to others.

Remember Chief...Anticipation of your wife finding out is worse than your wife actually finding out!!!!!!!!!!!!!!!!!!!!!!

Tick Tock Chief.....

Why is this post even allowed to remain on a Police site. These bozo's aren't even cops? So sad sack got fired and now he's going after the Chief for past indiscretions - we don't care. Why don't you WANNA BE'S, and FIRED USED TO BE WANNA BE'S, take your conversation where it belongs - out to the parking lot like real men would.

This is NOT a police site. It is a PUBLIC site that invites EVERYONE to write their comments or opinions

When you write "**these** Bozo's" are you sure there is more than one person posting here?

If the OBPD police chief has "past indiscretions," this is the place to post em. Sounds fair to me.

Kevin Lamm and Frank Fiorello, Why don't you 2 take your lumps like real men and move on. The Deputy Chief let you go because you guys abuse the public. That is not how we do business in this department. He was a gentleman about it and assured you guys he would give favorable references. You were well with in your right to go to civil service to inquire about your rights, and if you could be let go. But when you started to throw accusations around that was yet another case of you guys crossing the line. Just like so many times in the past. And now you wonder why you are on the outside looking in. You are at will employees, well I mean were. Now you have even less credibility than you did before. Congratulations for truly earning the title "**RAT**" Neither of you will ever work another law enforcement job here in the United States. Maybe if you are lucky you can get a job working in Iraq, I hear they will take anyone over there. But you may become canon fodder! Good luck you rat bastards!

Can't think clearly Chief? Too much booze and X last night? Is that why you cant pass the test Chief? Still sweating when you walk into the house George? Any day now my man.....Say, why didn't you hire the 'other Chief' back??? Anything to do with him not actually EVER BEING A POLICE OFFICER?

wrong, I'm not your chief, do not even work over there, I happen to be a Scpd investigator, assigned to the recruit training staff (think back ground check), so if you are on the list, and I'm not going to check, since that would incriminate me, let me tell you, dont bother showing up for orientation. We arent interested.

By the way we've had many commissioners and other non-sworn members who arent police officers in scpd, so what?

Think about it losing all that, and resorting to posting on a anon web board where everyone just chuckles over his mistakes.

Let's be honest. Is there one seasoned cop posting here who can claim he has not committed some kind of serious offense or violated some rule that would have resulted in him being seriously jammed up or fired if his offense was detected by a straight up supervisor?

The difference between us and you and your drug using perp hairbag cronies, yes, for 99.9999999% of us, the biggest offense is not signing off our memo book when our tour is over, sorry johnny boy times have changed, cops have alot more to lose, and cannot just drive a taxi and break even.

Welcome to Ocean Beach...The Land of No !! Well, not exactly..the whores don't say no, do they George? Score any more skanks?

Hesse000052

Say George, how is Mitch doing? You know Mitch, right? Isn't he the guy that got the hookers for you? Doesn't he own that hotel? Doesn't he deal X in the Village? You wouldn't know anything about that, would you George? I bet the Twins do!!!!

The walls are closing in George..You can keep slandering your ex-employees all you want, it isn't going to go anywhere. And just for the record George, I won't be a scumbag like you. I won't say anything to your wife..that was just to scare you. I would not ruin your home life, unlike what you did to your own people.

get a life weenie boy...we all knew you were blowing hot air, you got nothing, its time to evaluate your existence, you critique people on anon web message boards and tell them not to slander anyone. You threaten to reveal "dark" secrets to their loved ones, you got no stroke, not here, and certainly not in life, no one was scared, no one cared, now go move somewhere and start over.

buh bye weenie

The only slander here is what you did to the chief and his wife. You started this scumbag. no one else. You talk about someone selling X. How would you know, you never made an arrest unless it was someone peeing. Nice one.

So, whats wrong? Only doing this to scare the chief?..lol like was scared. Whats wrong? your balls creeping up into your throat? oh thats right, you don't have any balls. Let me ask you this. How does it feel knowing you will never be a cop?...ha ha ha ha ha

You guys are all a bunch of misfits and rejects. I have heard stories about your guys getting beat up, other guys trying to write a summons and being thrown into the water, etc. etc. You are all a bunch of wanna be wimps, just get off the computer and stop embarrassing yourselves even more than before. Also, try taking a good look at your applicants before you hire them.

Hey Kevina, hows your career? Hows the shopping carts at Compare foods? Hows your bills? Hows it feel to be blacklisted in every law enforcement job, and dont bother with the summit security application, they already know. Wait til the winter...you're gonna wish you got stockgirl job instead.

sounds like he's here crying how unfair life was, and making all kinds of threats to expose people that he has no intention of pursuing, sounds like a cry for help...whats really sad is he's still calling the chief..CHIEF, like he still works for him, kevin move on, relocate, I hear most disgraced cops head to the carolinas to drive cabs...

The funny thing is that no one is scared. you're out of a job, get over it already loser...i want them to look in to the so called Holoween incident. It will show them how pethetic your police officer skills are. Thats why it had to be taken over and investigated by someone else. The case was reviewed and prosecuted by the DA and the adjudicated. The defendants plead out. What else is there. What, you think they will find a cover up

Hesse000071

you moron. Once again the only thing that was covered up was how poorly you investigated the incident. You can try and attack the chief and his men all you want. It will get you no where...well it did get you some where out of law enforcement...NICCCE

DEPUTY DICK GEORGE CAN'T HELP BUT WONDER WHY YOU ALWAYS TRASH KEVIN AND FRANK? YOU SEEM TO FORGET HOW YOU FUCKED SEVERAL OTHER MEN AND WOMAN WITH YOUR "I'M GOD ATTITUDE", YOU TRASH THE REAL CHIEF EDDIE AS IF YOU ALREADY TOOK HIS POSITION. WAIT GEORGE IN ALL GOOD TIME IT WILL COME OUT- HOW YOU USED YOUR AUTHORITY TO TRY TO RUIN INNOCENT CIVILIANS AND PO'S LIVES AND CAREERS BY YOUR MANY LIES! YES YOU CAN'T EVEN TELL YOURSELF WHATS TRUE OR NOT ANYMORE. THE GOOD PEOPLE OF OCEAN BEACH WILL REVOLT AND THROW YOUR SORRY ASS OUT" REMEMBER YOUR JUST A LONELY LITTLE PANSY ASS PO! NOT A SERGEANT- YOU FAILED THE TEST TWICE! AND CERTAINLY NOT A DEPUTY CHIEF! YOU MAY BE ABLE TO THROW SMOKE IN THE EYES OF THE VILLAGE TRUSTEES WITH YOUR MANY LIES AND ACCUSATIONS, BUT I WILL ALWAYS REMEMBER WHAT YOU SAID AT THE DEPARTMENT MEETING ABOUT CHIEF 101 AND THE MEN YOU FIRED, THINGS WILL CHANGE WHEN EDDIE COMES BACK TO WORK. HE WILL BE CLEARED OF ALL YOUR ACCUSATIONS YOU MADE BEHIND HIS BACK TO THE PAST ADMINISTRATION AND THE PRESENT BOARD MEMBERS, HE WILL RISE TO THE OCCASSION AND FIRE ALL THE CORRUPT THUGS YOU PAL AROUND WITH. HE MAY EVEN MAKE YOU WEAR YOUR WHITE SHIRT AGAIN, WALK THE BEACH OR STAND IN THE MARINA- WHERE HE COULD WATCH YOU BY CAMERA..
BY NOW GEORGE YOU SHOULD KNOW WHO I AM? RUN THE IP ADDRESS IT WILL COME BACK TO THE VILLAGES ACCOUNT. WAIT YOUR NOT SMART ENOUGH TO DO THAT- THEN HAVE SOMEONE WITH SOME COMPUTER KNOWLEDGE DO IT FOR YOU!!!!

Yes I have. I've also seen people beaten by the police when they were simply engaging in their right to free speech.

Hitting the fan

The dirty laundry that is going to come out about some of the Ocean Beach police is going to change the minds of most of their defenders [at least the intelligent ones] and really upset the residents of Ocean Beach, whose tax dollars have been subsidizing their corrupt and immoral behavior. What I can't understand is that many of those cops are still employed by Ocean Beach. The trustees of the Village better get their heads out of the sand, or wherever their heads are.

Re: Recent firing

The problem is that the wrong guys were fired. The real bad actors are still there. And they know who they are. If you have any doubts, you'll see.

Suffolk DA probes claims that police in Ocean Beach beat tourists; lawyer for two men says cops have "storm trooper's mentality"

BY SANDRA PEDDIE
NEWSDAY INVESTIGATIONS TEAM

December 20, 2006

The Suffolk district attorney's office is investigating alleged brutality and other questionable activities in the police department of Ocean Beach, a small community on Fire Island, attorneys and village officials confirmed.

Detectives served subpoenas yesterday seeking information about excessive force and the police officers' civil service qualifications. People familiar with the investigation say police had beaten tourists visiting Ocean Beach, which draws thousands of visitors from Long Island and Manhattan every summer.

Complaints about the department going back several years prompted the probe in 2003, Suffolk District Attorney Thomas Spota said. The investigation picked up momentum after a New Jersey man, Samuel Gilberd, said he was beaten and suffered a ruptured bladder after being arrested for littering in August 2005.

Acting Village Police Chief George Hesse said he could not comment on the subpoenas until the investigation was completed. Village Mayor Joseph Loeffler, who took office in July, said he was aware of the investigation but could not comment on the allegations.

"I think we have a very good police department," he said. "I think they do a very good job. I think we have very few problems."

Dubbed the "Land of No" for its quirky prohibitions - the village once banned eating a cookie on a walkway - Ocean Beach has only two police officers full time in the winter months. The force expands in the summer, with 24 seasonal officers with varied experience and four dispatchers.

Anthony Colletuori, a Woodbury attorney who represented two men whose lawsuits resulted in confidential settlements, said of the department, "They have a storm trooper's mentality."

The investigation is the first of a police department by Spota since taking office in 2001. In an interview, he asked that anyone who experienced or witnessed excessive force to contact his office.

"I have serious concerns about the conduct and supervision of the Ocean Beach police department," Spota said. "And as a consequence, I'm going to ask a grand jury to conduct a robust probe into all aspects of this police department so that we can get to the bottom of what's occurring there."

Spota declined further comment, but people with knowledge of the investigation said

current and former officers were cooperating.

While the department's supporters say police have to cope with drunken summertime revelers, court records contain allegations of excessive police force. At least seven federal and state lawsuits have been filed against the department since 1995, records show. Six resulted in confidential settlements, according to the records.

The lawsuits examined by Newsday allege what the plaintiffs described as unprovoked attacks. Amityville construction supervisor Phillip Gallina alleged that he suffered a bruised trachea after being choked by an officer in May 1995. He said he had been with a friend, Anthony Esposito, who had been arrested.

"They beat the hell out of me," Esposito said. "I said, 'I'm a lawyer. This is crazy!' It was like being in a Communist country. You had no rights." Both men were released and returned home. But Gallina saw a doctor, who told him his trachea was bruised, he said. Both men sued. Village officials denied the allegations, and their cases were settled. Gallina received \$90,000 and Esposito \$15,000, they said.

In the Gilberd case, filed earlier this year, Gilberd said he was beaten after being arrested for littering in August 2005. In an interview, his wife, Kana Manglapus, said she found him bleeding on the floor of the police department.

"He was completely unconscious and laying on his stomach," she said. "I asked what happened. Police said that he got upset and a clock fell on him and that they called paramedics."

Gilberd was rushed to the hospital for emergency surgery on a ruptured bladder. She said he remembered little of what happened to him, except "that they were kicking him very, very hard."

Police charged Gilberd with riotous conduct, but that charge was later dropped.

Ocean Beach's year-round residents defended their police department Wednesday, a day after attorneys and village officials confirmed the Suffolk district attorney is investigating complaints of brutality.

"I think it's overblown," said Joel Silverberg, chairman of the Fire Island community's architectural review board, and an Ocean Beach resident for 35 years. "I think it's a mountain out of a miniature molehill."

Silverberg and other residents acknowledged that while "periodically something happens in the summertime," locally, the police department has a positive reputation.

"Occasionally, someone gets hurt and decides to sue the police department for whatever reason," said Gerard Stoddard, president of the Fire Island Association. With the influx of summer residents and drinking, "that's going to happen," he said.

"To me, they understand what the problems are, and are reasonable about trying to keep the peace and strike the balance," Stoddard said.

The complaints against the tiny Ocean Beach police department stretch back to 2003. Among them: a New Jersey man who suffered a ruptured bladder after being arrested for littering in 2005, and an Amityville construction supervisor who says his trachea was bruised after an officer choked him.

Acting Village Police Chief George Hesse and Village Mayor Joseph Loeffler did not return calls seeking comment Wednesday. Both have declined comment, citing the ongoing investigation.

In addition to questions of excessive force, the district attorney is probing the police officers' civil qualifications. Year-round police officers must take a civil service exam in addition to fulfilling other requirements. The 24 officers who work on a seasonal basis don't have to take a civil service exam but must possess a Police Officer Training Certificate and pass other evaluations.

In the eyes of local residents, Ocean Beach has never been able to escape its reputation as the "Land of No." Stoddard said that after drugs became prevalent in the 1960s and '70s, officials decided to crack down by getting tough on the small things. For a time, even eating a cookie on a walkway was prohibited. The "Land of No" name stuck.

"And there's a lot of built-in antagonism that resulted," Stoddard said.

Ocean Beach, one of the island's two largest communities, had a year-round population of just 146 in 2005, according to census figures. But in the summer, those numbers swell to 6,000 in Ocean Beach and about 25,000 islandwide.

At the only store open in Ocean Beach during the winter months, CJ's general store and restaurant, one resident, who did not want to be identified, said, "I've never seen one cop out of line. It's coming from a bunch of people that come out here on the weekends and get all liquored up and think they can do whatever they want."
